Bible Class

Join us today as we continue a fascinating study of "The Idols We Never Knew We Had." We all worship something or someone every day. In doing so, we make these objects our gods. Although many people think of idolatry as a primitive practice of ancient cultures or third-world tribes, it's as big an issue in today's Western world as it has ever been. In fact, one could argue that the idolatry we practice in the United States is more shameful and dangerous than bowing down to carved images because we don't even realize we're guilty of it. In this study participants will identify many present-day idols and be equipped by God's Word to avoid falsely worshipping them.

This Week in Sunday School

Today in Sunday School children studied "The Birth of John." Zechariah spoke God's Word announcing that this baby, John, would give people knowledge of salvation in the forgiveness of sins. God speaks through His holy Word to give us knowledge of salvation and forgiveness through Jesus, His Son. In your family discuss, "How does Jesus remind us of the work He has done for us?"

Outreach Postcards

We will be delivering postcards on December 15 at 10:00 a.m. to our neighborhood to invite the community to our Christmas services. If you would like to help, please talk with Pastor Zimpelmann.

Midweek Bible Classes

Wednesday Morning Bible Class

Join us as we continue our study of the book of Hebrews. We meet at 9:30 a.m. in the church classroom.
